ETHICALLY SOURCED

Our coffee is obtained through a supply chain that strictly prohibits the involvement of child labor, and from farmers who receive fair wages for their efforts in cultivating the finest coffee beans. This allows you to savor each sip with the knowledge that you are supporting a sustainable and socially responsible product while making a positive impact on the lives of those who make it all possible.

THINGS TO KNOW ABOUT REVIVE INSTANT COFFEE:

- Made from 100% real coffee beans.
- Easily made hot or cold.
- Unlike brewed coffee, REVIVE instant coffee has zero waste (all the nutrients, all the potent antioxidants, all the flavor).
- Formulated with powerful nutrients that not only enhance it's health benefits, but improve it's flavor.*

Alovea AE™ which optimizes the immune system while raising the coffee's pH and lowering it's acidity. This helps cut the bitterness for a smooth cup of coffee.*

Includes Reishi mushroom extract with adaptagen compounds help to manage the effects of stress and inflammatory responses on the body while giving the coffee a rich, earthy flavor.*

INSTANT GRATIFICATION!

Add Alovea PRIME Shake to your REVIVE coffee drink for a healthy plant-based option to milk products, sugar or artificial flavorings.
